USAREC SERIOUS INCIDENT REPORT - ADDENDUM

Submit by Email

The Addendum is used to help leaders gather pertinent data and to plan courses of action after a Serious Incident occurs. The information on the Addendum is fluid--if changes need to be made, send updates using the SIR follow-up procedures. The first Addendum will be emailed to the USAREC COC within **72 hours** of the INITIAL SIR. A Final Addendum will be submitted with the Final SIR.
