"I understand that I will attend IPAP in my current Officer grade held, and will be 'detailed' into the SP. Upon successful completion of Phase 2 training, I may be tendered a RA appointment as a commissioned Officer in the SP with a rank determined by my individual constructive service credit calculation IAW DODI 6000.13 and policy established by OTSG on a case-by-case basis, upon successful completion of the program."

"I meet all basic prerequisites listed in paragraph 2-2 of the AR 601-20 or have requested the appropriate waivers. To the best of my knowledge, I satisfy the medical standards for retention, as set forth in AR 40-501, chapter 3. I have provided a copy of any temporary or permanent profiles with my application. I agree to complete the educational requirements of Phase 1, and Phase 2, and to serve on active duty as a commissioned officer for a period of 54 months after successful completion of Phase 2 or voluntary termination of attendance, whichever comes later. "My current active duty service obligation (ADSO) remaining for my most recent training or appointment expires on (date). I understand that any and all remaining ADSO will run consecutively with the ADSO incurred from the IPAP. Time spent in the IPAP will not be used to satisfy any outstanding ADSO, IAW DODI 6000.13. "I understand that I am required to take the Physician Assistant National Certifying Examination (PANCE) sponsored by the National Commission on Certification of Physician Assistants (NCCPA) on the first available examination date for which I am eligible IAW AR 40-68. I must pass the exam within 12 months after completion of the IPAP Phase 2. Should I fail to pass the PANCE on my first attempt, I understand

that I must retake the examination at my own expense at the next available opportunity. I also understand that failure to pass the PANCE within 12 months, except when officially exempted in writing, will result in my being involuntarily branch transferred in accordance with AR 614–100, and that I will serve the remainder of my service obligation in the branch to which I am transferred. A request for branch transfer will be initiated after the first PANCE failure and will become effective one year after completion of the IPAP Phase 2 training if I have failed to pass the PANCE within that year. I further understand that once I become NCCPA certified, I will be required to maintain NCCPA certification as outlined by the certifying authority for the duration of my active Federal service. I understand that I have no right to retention on active duty beyond the service obligation for the training to which I am applying.”
